

# Notification of Successful Proposal

---

Until the Milwaukee County Board of Supervisors and the Milwaukee County Executive have taken action on hiring a consultant to develop a Comprehensive Facilities Plan for Milwaukee County, the Department of Transportation and Public Works will not be releasing the Review Panel's scores for each proposal. The Transportation, Public Works and Transit Committee of the County Board is expected to consider this matter at its September 14, 2011 meeting and the Milwaukee County Board of Supervisors on September 29, 2011.
